Some of the units come with a seasonal storage area located on the balcony. The location of the storage area is shown in the floor plan.

Property: Freehold

Sale price: A down payment (20% of the sale price) is taken at the time of the transaction, 2. instalment (20% of the sale price) 30.9.2022, 3. instalment (10% of the sale price) 30.11.2022, 4. instalment (25% of the sale price) 30.6.2023, 5. instalment (25% of the sale price) upon completion.

Charges for common expenses: Charge I for common capital expenditures is payable for a period of up to two years after completion and only covers interest on the housing company's debt. The interest rate is always at least equal to the spread. The estimated amount of charge I is EUR 0,00056 €/allocated share. The estimated amount of charge II is EUR 0,0030 €/allocated share (once repayments begin). The housing company will decide the date from which repayments are to be collected in due course.

Housing company debt: The estimated total loan term is 25 years, of which the first two years at most will be interest only. The interest rate on the loan is 12-month Euribor + 1.00% spread. Either 50% or 100% of the debt can be paid upon completion.

Water charge: EUR 20/person/month in advance; adjusted to consumption.

Parking: 45 spaces available to buy as separate shares. The price of an indoor parking space share is EUR 25,000, and a parking space with an electric vehicle charging port costs EUR 27,000.

Estimated completion date: The development is scheduled for completion 31.8.2023-31.10.2023
